- \_\_\_\_\_ Your child has been accepted into the Monday, Wednesday, Friday afternoon session at Hansel and Gretel Preschool for the coming school year. Tuition will be \$115.00/month for this class.
  
- \_\_\_\_\_ **Your child has been accepted into the Monday-Friday afternoon session at Hansel and Gretel Preschool for the coming school year. Tuition will be \$200/month for this class.**

If you know at this time that your child will not be attending next fall, please call me as soon as possible so that if there is a waiting list we can contact a new family. If you requested a different class as your first choice and you did not get it, you are on a waiting list to get into your first choice class. Please feel free to check in with me and see if there are any changes.

The State on Minnesota requires **first year students** have a completed Health Care Summary and a complete series of immunizations before entering a preschool. The Health Care Summary must be filled out by your family doctor. The immunization form may be filled out by the parent. Please make sure that it is signed. If it is not signed it will be sent back to you. These forms can be returned to us any time before August 1st. Failure to comply makes your child ineligible to attend classes until such forms are received. Please check it over carefully before returning it. **Second year students** do not need to fill out the forms again. We have your record on file from last year, but if you have had immunizations please send me the updated dates so that I can add them to your child's record.

Please put these forms in a safe place. These forms and this letter are the only contact you will receive until July 1<sup>st</sup> when the contract, supply list, and date of orientation is sent out to you. Feel free to contact me at my home number or the school number if you have any questions.

Sincerely,

Michelle McMurphy
